James Pasternak

Toronto City Councillor – Ward 6 York Centre

Our recovery team at City Hall has made it clear: we must do everything we can to help businesses re-open and recover from the Coronavirus and the subsequent lock down. We must all work together to build consumer and business confidence and make sure that shoppers feel that it is safe [...]

THE POWER OF PUBLIC HEALTH MEASURES

PAST

In mid-March, each person with COVID-19 in Toronto infected 3.5 other people on average

PRESENT

With public health measures, each person with COVID-19 in Toronto infects 1 other person on average

FUTURE

To stop the spread, we need a vaccine or herd immunity, so each person infects less than 1 person on average
